## ZumbAtomic Parties

ZUMBATIC is a crazy-cool dance fitness workout for kids set to hip hop, salsa, reggaeton and more!!

It is simply the dance fitness sensation of the moment and kids absolutely love it! The music is amazing and the dance moves are cleverly choreographed so that kids can easily 'learn the whole dance' within a short space of time.

Louise is a fully licenced Zumba and ZumbAtomic Instructor. She is fully insured and has a current enhanced disclosure. She will also make sure everyone at the Party has a total blast.

Once you have made your booking Louise will come to the venue of your choice and you can either sit back for an hour or marvel at how good the kids are at Zumba or, more likely, you'll want to join in too.

**Introductory  
offer May /  
June 2011**

Your ZumbAtomic Party will include:-

- Glitter tattoos so the kids can get some sparkle before their ZumbAtomic experience
- 30-45 minutes of ZumbAtomic where the kids will learn the dance choreography then 'perform' the dance
- ZumbAtomic party games

An excellent way for the kids to burn off the birthday party sugar!
